To

Mr Jan Shmidt

PRINCIPELLE DEUTSHLAND

Dr. Mr Shmidt:

This letter is an expression of gratitude toward you for your open heart and willingness to contribute with very valuable and helpful dressing stuff. That contribution has made the coming of Ruth and Axel Eifler very significant and positive for many patients.

Your donation has left many people smiling, relieved from pain and on the way to recover soon.

From the bottom of our hearts

Thank you very much, may God bless you.
